The Siemens Industry Mall is your gateway to the convenient world of automation and drive technology. Here you will find comprehensive online information and services relating to more than 135,000 products and systems with more than 30 million variants.

Regardless of the stage you have reached in your procurement process: Siemens offers you a fitting solution. From the selection of products, through the ordering and tracking process, to services and training, the Industry Mall facilitates the complete processing of your purchase. Directly and at any time or location.

Note:

To get the best from the Industry Mall your browser should be at least Microsoft Internet Explorer 7 or Mozilla Firefox 4. We recommend that you always use the latest version of the above browsers.

Whether you are buying contactors, programmable logic controllers, software or motors – with just a few clicks you can easily use any of the following options via the innovative user interface:

- Detailed information with product data, diagrams, certificates and dimension drawings
- Simple system configuration
- Checking your individual customer prices
- Availability check
- Online ordering option
- Order tracking/overview
- Quick access to suitable training offers and services

The Siemens Industry Mall structures your individual processes transparently, efficiently and cost-effectively. This makes e-business easier than ever before!

But see for yourself. Our guide will explain the key functions to you on the following pages.

Industry Mall Homepage

The screenshot shows the Siemens Industry Mall homepage. At the top left is the Siemens logo. Below it, the text 'INDUSTRY MALL' is displayed. A navigation bar includes links for Home, Language, Contact, Help, Site Explorer, and Product Search. On the left, there is a 'Product Catalog' menu with categories like Drive technology, Automation technology, Building technologies, Low-Voltage Controls and Distribution, Safety Systems - Safety integrated, System solutions and products for branches, Service, and a link to 'Configurator Overview'. The main content area features an 'Industry Mall' section with a welcome message and a 'Personalized view with...' link. To the right, there is an 'International Automation News' section with several news items and links for 'More News' and 'Subscribe to our newsletter'. At the top right, there are links for 'Register now' and 'Login'.

Even if you do not log in, some functions of the Industry Mall are available to you in the guest catalog, such as information on product details or product configuration. To get the full benefit of the Industry Mall, however, registration is necessary – free of charge, of course.

Simply click on “Register” and you will be guided through the registration process in a few steps.

As soon as you have received confirmation of your approval you can select the menu option “Login” to log in to the Industry Mall using the user data (login and password) assigned during registration.

First Login

Registration in the Industry Mall takes place in four steps. First you receive the registration instructions on the “Welcome” screen. You can then select a user name and password. Please observe the password criteria that are displayed here.

Once you have entered all the required data, the last step just involves accepting the general terms and conditions of use and then you can submit your registration application by clicking “Finish.”

Note: Treat your access data with maximum confidentiality. Anyone with access to your data can log in to the Industry Mall and, for example, view your conditions or place an order in your name.

Introductory Page

Once you are successfully logged in, you have unrestricted access to product, price and availability information.

Via the configurator overview page you can access a listing of all product configurators available in the Industry Mall. These help you to select your systems and products and customize them individually.

Regional information keeps you updated about changes or new features in the Industry Mall.

Current news of the Siemens Industry Sector.

The centrally located menu options lead you quickly to the respective functions in the Industry Mall. And remember, whatever page you are on the central menu options are always located in exactly the same place.

Product Catalog

The screenshot shows the Siemens Industry Mall website. The main content area displays the 'LOGO! Modular Basic versions' product category. A table lists three products with their IDs, descriptions, and prices. The table has columns for 'Product ID', 'Price p. Item*', 'Cost Price', and 'Order'. The first product is '6ED1952-1CC01-0BA6' with a price of 102,00 EUR. The second is '6ED1952-1FB00-0BA6' with a price of 118,00 EUR. The third is '6ED1952-1FB00-0BA7' with a price of 194,00 EUR. A 'Linkbox' on the right contains links for 'Presales Info', 'Catalog and ordering system online', 'Technical info', 'Service & Support', 'Training', and 'Contact & partners'. A breadcrumb trail at the top reads: 'Home > Automation technology > LOGO! Modular Basic versions'. A 'Product Catalog' dropdown menu is open on the left, showing a tree structure of automation technology products.

Product ID	Price p. Item*	Cost Price	Order
6ED1952-1CC01-0BA6 LOGO! 24C, LOGIC MODULE, DISPLAY, PUM0, 24V/24V/24V TRANS., 8DI (4AI)/4DO; MEM 200 BLOCKS, REAL TIME-CLOCK, EXPANDABLE WITH EXTRA MODULES	102,00 EUR (1 Piece)	102,00 EUR (200)	<input type="checkbox"/> 1 Piece

6ED1952-1FB00-0BA7 LOGO! 230RC, LOGIC MODULE, DISPL., PUM0; 115V/230V/RELAY, 8 DI/4 DO, MEM. 200 BLOCKS, EXPANDABLE WITH EXTRA MODULES 230V AC/DC, ETHERNET	194,00 EUR (1 Piece)	194,00 EUR (200)	<input type="checkbox"/> Piece

• Navigate through the product tree to find the product category you are looking for.

Expand the main product categories or directly open a product category.

• The "breadcrumb" menu bar (directly beneath the main menu bar) shows how you reached the currently displayed product information and enables you to retrace your steps if so required.

• Find detailed product information, ordering data, accessories and configurators.

• Wherever you are: access the Industry Mall catalog via the catalog menu.

• The Linkbox on the right offers you to get additional product information, support or contact persons. More details are available on page 11 "Linkbox."

Product Search

The screenshot shows the Siemens Industry Mall website. The main content area displays the product details for '6ES7317-6FF04-0AB0', including a photograph of the SIMATIC S7-300 CPU 317F-2 DP. The product description states: 'SIMATIC S7-300, CPU 317F-2DP, CENTRAL PROCESSING UNIT WITH 1.5 MBYTE WORKING MEMORY, 1. INTERFACE MPI/DP 12MBIT/S, 2. INTERFACE DP-MASTER/SLAVE, MICRO MEMORY CARD NECESSARY FOR USE WITH SOFTWARE OPTION S7 DISTRIBUTED SAFETY VS 2 SP1 AND HIGHER'. The list price is 3,336.00 EUR and the customer price is 3,269.28 EUR. A search dropdown menu is open, showing suggestions for other products like '6ES7321-1b100-0aa0' and '6ES7322-1b100-0aa0'. A search history sidebar is also visible, listing previous searches such as '6ES7317-6FF04-0AB0' and 'cage motor'.

• A further function offered by the product selector is the opening up of the search field in the main navigation. You can enter a part number, the stem of a part number (e.g. 6ES7), product description (e.g. SIMATIC) or your customer article number.

• When entering your search criteria possible suggestions and support will be offered based on the desired product.

• Your search history is saved based on your last queries.

Search Results

• In the search result the products including their descriptions and prices will be shown. Clicking on the part number or on the product picture will take you to further information where you can access documents, data sheets or certificates.

• Details of price and availability are retrievable with a click.

• After adding the desired quantity, you can add the article to your shopping basket by clicking on the shopping cart symbol.

• You can restrict the search results further using the search result filter and select, for example, certain product categories.

• “Go to catalogue” takes you to the respective catalogue area. Here you will find further information.

Product Details – All about...

The screenshot shows the Siemens Industry Mall website interface. At the top, there is a navigation bar with 'Home', 'Language', 'Contact', 'Help', 'Site Explorer', and 'Product Search'. The main header features the Siemens logo and 'INDUSTRY MALL' text. Below the header, a breadcrumb trail reads: Home > Automation technology > CPU 317F-2 DP > 6ES7317-6FF04-0AB0. The product title is '6ES7317-6FF04-0AB0'. To the left is an image of the CPU module. To the right, the product description reads: 'SIMATIC S7-300, CPU 317F-2DP, CENTRAL PROCESSING UNIT WITH 1.5 MBYTE WORKING MEMORY, 1. INTERFACE MPI/DP 12MBIT/S, 2. INTERFACE DP-MASTER/SLAVE, MICRO SERVICE CARD NECESSARY FOR USE WITH SOFTWARE OPTION S7 DISTRIBUTED SAFETY VS.2 SP1 AND HIGHER'. The list price is 3.336,00 EUR and the customer price is 3.269,28 EUR. An availability status shows a green checkmark and the text: 'This product is currently available. This result displays the availability situation at this moment in time. Therefore the shown result cannot be guaranteed.' Below the product details are links for 'DataSheet in PDF', 'Service and Support - Certificates', and 'Image gallery (1)'. On the right side, there is a 'Buy product' section with a quantity input field set to '1' and an 'Add to cart' button. Below this is an 'All about CPU 317F-2 DP' section with a list of links: 'Presales info', 'Catalog and ordering system online', 'Technical info' (with sub-links for 'Technical overview', 'Images, graphics, drawings', 'Manuals / Operating instructions', and 'Technical Data'), 'Service & Support', and 'Contact & partners'. An orange arrow points from the 'All about' section to the explanatory text on the right.

Under "All about" all the links are summarized. In addition there are further Siemens pages with regard to your desired product. There you will find manuals, documentation and contact data, for example. In addition service benefits and training offers.

Requ. delivery date:

- If you already have finished parts lists, e.g. in Excel or Word format, these can be inserted directly using the "Copy & Paste" option. You can also type in this field several items manually to add them at once to the cart.
- If you know the material numbers they can be added directly to the cart using the "Enter" option. Especially the entry of materials with options is supported in this field.
- In addition, you have the option of uploading a saved Mall-Excel file, Mall-XML file or a cart created using Catalog CA01.
- Recently uploaded articles can be set up as a new cart or added to the current cart.

Replacement Products

The screenshot shows the Siemens Industry Mall cart interface. At the top, it says 'SIEMENS Industry Mall - Cart' with a user name 'Max Mueller (Test)' and a 'Logout' link. Below the navigation bar, there are links for 'Home', 'Language', 'Contact', 'Help', 'Site Explorer', and 'Product Search'. There are also icons for 'Catalog', 'Cart', 'Service', 'Inquiry', and 'Administration'. The cart is titled 'Cart: (Projekt Tower)' and has a progress bar with steps: 1. Item list, 2. Shopping data, 3. Place order, 4. Order acknowledgment. A 'Proceed to checkout >' button is visible. The main table lists items with columns: No., Material ID, Availability, Quantity, Description, Price, Price Discount Unit, and Price p. pos. The first item is '3' with Material ID '3TX7004-1AB10', a quantity of '1', and a description: 'OUTPUT INTERFACE TWO-TERMINAL-TYPE COUPLING RELAY 1NO, AC/DC 24V WITH MANUAL-0-AUTO SCREW TERMINAL WIDTH 12.5MM'. Below the table, a message states: 'The product 3TX7004-1AB10 is no longer current. We recommend the following successor > 3TX7004-1AB10'. A 'Replace' button is next to the message. On the right side, there is an 'Add item(s)' section with 'Copy & Paste', 'Enter', and 'Upload File' buttons. Below that is a 'Delivery Address' section with the address: 'Test Firma GmbH, Mühlweg 3, 12345 Testhausen'. An orange arrow points from the 'Replace' button to the '3TX7004-1AB10' link in the message below.

No.	Material ID	Availability	Quantity	Description	Price	Price Discount Unit	Price p. pos.
3	3TX7004-1AB10		1	OUTPUT INTERFACE TWO-TERMINAL-TYPE COUPLING RELAY 1NO, AC/DC 24V WITH MANUAL-0-AUTO SCREW TERMINAL WIDTH 12.5MM	Price On Request	1	Price On Request

The product 3TX7004-1AB10 is no longer current.
We recommend the following successor > 3TX7004-1AB10

- When an article is added to the cart, an automatic check will inform you whether there is a newer version of this product or if the product requires further configuration.
- By clicking on the article number of the new product, you can obtain all details on the later version and then decide which product is the right one for you.

If you do require the older version, you can of course order this as before.

Availability Check

The screenshot shows the Siemens Industry Mall cart interface. At the top, there is a navigation bar with 'Home', 'Language', 'Contact', and 'Help'. Below that, there are links for 'Catalog', 'Cart (3)', 'Service', 'Inquiry', and 'Administration'. The main area contains a table of items in the cart. The table has columns for 'No.', 'Material ID', 'Availability', 'Quantity', 'Description', 'Price', and 'Unit'. Item 1 is '6AV7861-1AA0' with a yellow warning triangle in the 'Availability' column and a quantity of 2. Item 2 is '3TK2825-1AB20' with a green checkmark in the 'Availability' column and a quantity of 1. Item 3 is '3TX7004-1AB10' with a quantity of 1. A 'Delivery Information' pop-up window is open over item 1, displaying the message: 'This product is currently not available on your requested delivery date. Please select one of the following options:'. It offers two options: 'Change the requested delivery date to 08.09.2011. This is the date all positions are available.' and 'Change the requested delivery date for this position to 08.09.2011. This will switch to requested delivery date on line item level.' There is also a 'Notice' section stating 'This position is available on 08.09.2011' and a final instruction: 'Keep the original requested delivery date and this product will be delivered as soon as it becomes available.' The pop-up has 'Next' and 'Cancel' buttons.

 Delete Shopping Cart after placing order

In this overview you should check the key ordering data carefully, e.g.:

- Delivery address
- Order number
- Required date of delivery
- Articles and quantity

Before submitting the order you must accept the terms and conditions of sales and delivery terms.

Here you can decide whether you want to delete the shopping cart after placing the order or use it again for further orders.

If you require a hard copy of the order for your internal documentation, you can print it out by clicking here.

The order inquiry lists all your orders in detail and displayed – depending on your requirements – by order number or by item.

Using the filter functions you can filter the orders displayed according to various criteria – e.g. all orders that have not yet been fully processed.

By clicking on the Siemens sales order number or your customer order number you receive further information on the respective order.

The following order states are shown in order inquiry:

- Order placed (Open): Order has been sent from Industry Mall to Siemens sales.
- Ordered (Open): When the Siemens regional company has received the sales order.
- Order at work (Open): Order is in warehouse but not confirmed yet for all items.
- Order confirmed (Open): Order is in warehouse and all line items are confirmed.
- Delivery transferred to carrier (Complete): All line items are handed over to carrier.

Ordering and Delivery Tracking

The screenshot shows the Siemens Industry Mall - Inquiries interface. At the top, there is a navigation bar with 'Home', 'Language', 'Contact', 'Help', 'Site Explorer', and 'Product Search'. Below this, there are tabs for 'Catalog', 'Cart (3)', 'Service', 'Inquiry', and 'Administration'. The main content area is titled 'Orders' and 'Orders by Lines'. It includes a table with columns for 'Account #', 'Customer Order #', 'Sales Order #', 'Order Date', 'Status', and 'Total Price'. Below this, there is an 'Order Details' pop-up window showing information such as 'Account #', 'Supplier Reference Number', 'Orderer Contact Person / Supplier Contact Person', 'Customer-Order-No.', 'Order Status', 'Currency', 'Order Date', 'Siemens OrgID', and 'Ship to address'. At the bottom, there is a table with columns for 'Line #', 'Product ID', 'Description', 'Status', 'Qty Ordered', 'Qty confirmed', 'Qty Shipped', 'Date Requested', 'Date Confirmed', 'Date Dispatched', 'Disp.No.', and 'Carr.'. The table contains one row with line number 10, product ID 5SH4317, and description NEOZED-SCHRAUBKAPPPRONZED01-10A. The status is 'Delivery transferred to carrier (Complete)'. The 'Carr.' column contains a link to 'SIRL12004345878' and a 'Carrier' icon.

Account #	Customer Order #	Sales Order #	Order Date	Status	Total Price
testindemo	> Test		27.07.2011	Order placed (Open)	24,50 EUR

Line #	Product ID	Description	Status	Qty Ordered	Qty confirmed	Qty Shipped	Date Requested	Date Confirmed	Date Dispatched	Disp.No.	Carr.
10	5SH4317	NEOZED-SCHRAUBKAPPPRONZED01-10A	Delivery transferred to carrier (Complete)	2000	2000	2000	20.08.2010	20.08.2010	20.08.2010	SIRL12004345878	Carrier

By clicking on the link of the delivery note, you can open, save or print out the delivery note of the corresponding item.

A click on "Carrier" takes you direct to the carrier company where you can easily track the precise delivery status.

Order Status Mails

Order Handling

Subscribe to order status mails

Receive e-mails which contain information about inserted or updated confirmed shipping dates, article numbers, confirmed quantities and cancelled line items

Subscribe to delivery confirmation mails

Receive e-mails which contain information about articles that were handed over to the carrier

Aggregate order status and delivery confirmation mails.

Only once a day a mail per order will be send. Appr. at 03.00 CET.

Send only changed line item information in order status mails

Order status mails and delivery confirmation mails are not containing all line items but only the ones which were changed since the last e-mail.

- The order update e-mail keeps you informed in case of important order data have been changed by the supplier like:
 - Confirmed date
 - Quantity
 - Or cancellation of items

Note:
This is only for information and does not replace an official order confirmation.

Master Data Request

Would you like to inquire quickly and easily about the product master data of a specific range of products? That is what the master data request offers you. You can select and download the output formats from various standards.

Furthermore, you can download the discount file here for the Siemens Catalog CA01 (offline on DVD).

Hint: In CA01, you can automatically update the conditions with ones from the Industry Mall.

Together with the conditions, the contact persons and delivery addresses are loaded from the Mall.

Request for Quotation
1 Introduction | 2 RfQ Content | 3 Confirmation

This function enables you to request a quotation through the Industry Mall. Just fill in the shopping cart and press the button "Request for quotation". Your contact partner will receive this information and provide you with detailed cost information. If the button is not active, there is no contact partner set up for you. You may request a quotation for a cart. This function is to be activated by e-mail under 'Contact/Online Shopping' from the project navigation under the header 'Offer request'. If you wish to delete the contents of the shopping cart please click on the button 'Delete cart'.

Delete cart

- Click here to request a separate quotation from Siemens for the contents of a cart.

Once you have performed the steps described, the quotation request is forwarded directly to the appropriate sales partner.

User Administration

The screenshot shows the 'SIEMENS Industry Mall - Administration' interface. At the top, there is a navigation bar with 'Home', 'Language', 'Contact', 'Help', 'Site Explorer', and 'Product Search'. Below this is a secondary navigation bar with 'Catalog', 'Cart', 'Service', 'Inquiry', and 'Administration'. The 'Administration' section is expanded to show 'Companies' and 'Users'. The 'Users' section is active, displaying a 'Users Overview' table and a 'User Details' form. The 'Users Overview' table has columns for 'State', 'Name', 'Company', 'Role', 'Allowed To Order', and 'Show Customer Prices'. A single user, 'John Miller' from 'Test' company, is listed with a role of 'CM'. The 'User Details' form shows fields for 'Surname' (Miller) and 'First Name' (John).

State	Name	Company	Role	Allowed To Order	Show Customer Prices
<input type="checkbox"/>	John Miller	Test	CM	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Using the search conditions you can search for and display specific individual users within your company.

In the user administration the main user in your company has the opportunity to add or delete other users and to modify user data.

User Rights

The screenshot shows the 'Industry Mall - Administration' interface. At the top, there is a navigation bar with 'Home', 'Language', 'Contact', 'Help', 'Site Explorer', and 'Product Search'. Below this is a menu with 'Catalog', 'Cart', 'Service', 'Inquiry', and 'Administration'. The main content area is divided into two columns. The left column has a 'Users Overview' section with a table of users and a 'User Details' section for 'John Miller'. The right column has a 'Search Conditions' section with input fields for 'First Name', 'Surname', 'E-mail', and 'Login'. A red arrow points from the 'Rights Details' link in the 'User Details' section to the 'Rights' table below.

State	Name	Company	Role	Allowed To Order	Show Customer Prices
<input type="checkbox"/>	Max Mueller	Test	CM	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	John Miller	Test	CM	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
<input type="checkbox"/>	Mister Test	Test		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Right	Is Allowed
Allow to order	<input checked="" type="checkbox"/>
Show customer price	<input checked="" type="checkbox"/>
Show discounts /discount class	<input checked="" type="checkbox"/>
Show list price	<input checked="" type="checkbox"/>

As company administrator, you can use this option to enable specific functions of the Mall for users – the navigation will be adjusted automatically.

The “Compare with” function (not illustrated) offers you the option of comparing the currently selected user with another user in your company and assigning the user rights accordingly.

Managing Customer Article Numbers

The screenshot shows the 'Industry Mall - Administration' interface. At the top, there is a navigation bar with 'Home', 'Language', 'Contact', and 'Help'. Below this is a search bar and a 'Product Search' button. The main navigation menu includes 'Catalog', 'Cart', 'Service', 'Inquiry', and 'Administration'. Under 'Administration', there are sub-menus for 'Companies' and 'Users'. The 'Company Details' section is active, showing tabs for 'Basic Settings', 'Addresses', and 'Customer Article Number'. Below the tabs is a table with columns for 'Customer Article Number', 'Siemens Part Number', and 'Description'. The table contains several rows of data. At the bottom right of the table, there is an 'Upload List' button with a plus sign icon.

Customer Article Number	Siemens Part Number	Description
<input type="checkbox"/> KdErzNr00001	1MA7163-2BB11-ZA11+K30	Beschreibung KdErzNr00001
<input type="checkbox"/> KdErzNr00003	1MA7163-2BB30-ZA11+K30	Beschreibung KdErzNr00003
<input type="checkbox"/> KdErzNr00004	1MA7163-2BB36-ZA11+K30	Beschreibung KdErzNr00004
<input type="checkbox"/> KdErzNr00005	1MA7163-2BB31-ZA11+K30	Beschreibung KdErzNr00005

<input type="checkbox"/> KdErzNr00007	1MA7164-2BB96-ZL1L+K30	Beschreibung KdErzNr00007
<input type="checkbox"/> KdErzNr00008	1MA7164-2BB91-ZL1L+K30	Beschreibung KdErzNr00008
<input type="checkbox"/> KdErzNr00009	1MA7164-2BB90-ZL1L+A11+K30	Beschreibung KdErzNr00009

As the main user, you can assign your customer-specific article numbers to our products enabling you to search for and order products in the Industry Mall using your own article numbers. You will find this function under the menu option "Administration / Companies / Company Details / Customer Article Numbers."

In addition, you can add your own product descriptions, e.g. "Controller for Machine Type A."

For bulk modifications we recommend using the "Upload List" function: In just one operation you can copy a complete list of your customer article numbers into the Mall.

Storing Delivery Addresses

The screenshot shows the 'Administration' section of the Siemens Industry Mall. The 'Company Details' for 'Max Mueller GmbH' are displayed, with the 'Addresses' tab selected. A table lists three delivery addresses for the company.

#	Company Name	Name 2	Name 3	Street	Postal Code	City	State	Country
<input type="checkbox"/>	Max Mueller GmbH			Mühlweg 3	88045	Friedrichshafen		Germany
<input type="checkbox"/>	Max Mueller GmbH			Bahnhofsstr. 5	90459	Nürnberg		Germany
<input type="checkbox"/>	Max Mueller GmbH Banberg			Bahnhofsplatz 12	96947	Banberg		Germany

As the main user you can, of course, also store customer-specific delivery addresses and add them to the cart as required.

Delivery addresses that have been set up in the cart and then stored can also be found in this list.

You will find this function under the menu option "Administration / Companies / Company Details / Addresses."

Changes will also have impact on existing shopping carts.

With "Open Catalog Interface" (OCI) we offer you an open and standardized catalog data interface for the exchange of catalog data records between purchasing systems and any other catalogs (analogous to PunchOut).

- This enables you to access current catalog data from the Industry Mall, fill the cart there and then transfer this back to your own procurement system. You can also contact us directly to obtain your own individual solution.

When will you start using the Siemens Industry Mall?

Subject to change without prior notice 09/12
